How you can milk ten cows for 5c a day—

Recent experiments conducted by agricultural colleges have proven that electricity will produce more profits for farmers interested in dairying.

One of the findings, for example, is that with modern electrical equipment, ten cows can be milked for approximately five cents a day.

Today, electricity is relieving thousands of farmers and their wives from countless farm tasks.

To learn more about these farm helps, clip and mail the coupon below, or ask our representative to call.

FOREWORD

Down through the cycles of time, from early history to the present, accomplishments have been made and determined by Personal Endeavor. This is not wholly confined to various lines of Industry and Business, or Results in Science and Research, but in Fraternity work as well. Here is our opportunity. May we rise to its call with strength and Earnest Purpose, as the day opens to vision the best way. Let it be always "Onward."

NOTICE TO MEMBERS

Members unable to take parts assigned them on the Program, kindly give sufficient notice to the Lecturer.

Each member whose name does not appear in the program will be called upon at some time during the year.

The Program is subject to change as necessity demands. New features will be added from time to time.

Help, if you're asked to

Don't say no.

The Grange is yours,

Let's make it go.

We know not what shall befall us

As we enter another year;

But the past is safe in God's keeping,

The future His mercy shall share;

And what looks dark in the distance,

May brighten as we draw near.

FRIENDS

Life is sweet, just because of the friends we've made,
And the things which in common we share.
We want to live on, not because of ourselves,
But because of the people who care.
It's living and doing for somebody else,
On this, all life's splendor depends.
And the joys of this world, when you've summed
them all up
Are found in the making of friends.

WORKERS TOGETHER

All have a share in the beauty;

All have a part in the plan;

What does it matter what duty falls

To the lot of a man?

Someone has blended the plaster,

And someone has carried the stone

Neither the man nor the Master,

Ever has builded alone;

Making a roof from the weather,

Building a house for the King;

Only by working together,

Men have accomplished a thing.

FRIENDSHIP

Make new friends, but keep the old;

Those are silver, these are gold;

Brow may wrinkle, hair grow gray;

True friendship never knows decay.

Work and Farm Shoes

We carry a full line of mens heavy work and farm shoes —
— Prices \$1.95, \$2.65, \$2.95, \$3.95

These are far below the regular prices for Quality Merchandise.

Our line of rubber footwear can not be Equaled. We have LOW PRICES and the BEST QUALITY.

LOOK PLEASANT

We cannot, of course, all be handsome,
 And it's hard for us all to be good:
 We are sure now and then to be lonesome,
 And we don't always do as we should.
 To be patient is not always easy,
 To be cheerful is much harder still,
 But at least we can always be pleasant,
 If we make up our minds that we will.

And it pays every time to be kindly,
 Although we feel worried and blue;
 If you smile at the world and look cheerful,
 The world will smile back at you.
 So try to brace up and look pleasant,
 No matter how low you are down;
 Good humor is always contagious,
 But you banish your friends when you frown.

GRANGE CODE

I will be in my place on time.

I will pay my dues promptly.

I will endeavor to attend grange meetings more regularly.

I will learn to state my motions in the fewest words possible.

I will refrain from criticism.

I will speak to the "stranger within our gates."

I will refrain from talking during musical selections the same as I would during an address.

I will avoid making motions in the negative.

I will be charitable. Each member has a right to promote measures in which he is interested and to defend those he disapproves.

I will vote to uphold my opinion, but when a vote is registered, I will submit graciously to the will of the majority.

I will always speak a good word for my grange and an encouraging word to the Master and Lecturer.

I will try to make the Grange a better organization from my being a member.

OUR DECLARATION OF PRINCIPLES

We believe that in essentials there is unity, in non-essentials liberty, and in all things charity.

We affirm that, "An honest man is the noblest work of God."

We scorn not to receive instruction from the humblest object that offers us its lesson.

We believe that a man's life consisteth not in the abundance of things he possesseth, but in the right use of God's blessings.

The highest object of our Order is to develop a better and higher manhood and womanhood among ourselves.

United by the strong and faithful tie of Agriculture we mutually resolve to labor for the good of our Order, our Country and Mankind.
